

**Your Portal to Parish History, Art, Heritage and Culture**

## *Welcome to My-Parish.org!*

**My-Parish is an online community and resource for everyone interested in parishes, from the Middle Ages to the modern day, in Britain, Europe and the Americas.**

**Whether you are a student, academic or museum professional, a private researcher or a member of a local heritage group, My-Parish offers open space to share your work and experience of parish history, art, heritage and culture.**

**By joining My-Parish, you will be able to create a profile that allows you to...**

- **upload content such as images, videos and original research**
- **create interest groups and participate in forums**
- **promote your own initiatives and projects on news and events pages**
- **access and contribute to a variety of community resources**
- **search for and connect with other My-Parish members**
- **ask questions or offer advice**
